• Please note that the figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTA. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors.

• Colours and photos may vary from the actual product. These models come with a 2 year or 20,000km manufacturing warranty (whichever comes first).
